

Northeastern University

Off Campus Student Services

Community Ambassadors

Fall and Spring Semester
8 Hours/Week

Off Campus Student Services provides support for Northeastern students who reside independently off-campus by providing education, services and advocacy, promoting student connections to campus, and by engaging students in the local community.

The mission of the Community Ambassadors is to foster and enhance the off-campus student living experience through education, advocacy, and involvement. Community Ambassadors are paid student employees who work with Off Campus Student Services as liaisons in outreach, program planning, and community building for off-campus students.

Responsibilities:

Education & Outreach

- Be a model citizen and role model for other students residing in local neighborhoods
- Regularly communicate with students on issues related to off-campus living
- Promote awareness of tenant rights and responsibilities
- Inform students about local neighborhood and community events
- Inform and educate students about city services and resources

Program Planning

- Plan and present educational programs and events related to off-campus living
- Plan community building programs for students in the neighborhood

Community Building

- Keep students connected to the university and the community
- Lead students in community service events (i.e. Breakfast Club, Neighbor-to-Neighbor, etc.)
- Attend neighborhood association meetings

Qualifications:

- Upper-class student
- Reside off campus in local neighborhood both fall and spring semesters (not eligible if leaving town for a co-op position)
- Good standing at the university (academic & judicial)
- Satisfactory completion of training (August & January)

Skills:

Responsible & dependable; community-minded; strong communication & interpersonal skills; ability to work independently and in a team; leadership/mentor skills.
